A Charge of Blackmail.

Valon Topinka and his son, Joseph N. Topinka, called on the Prosecuting Attorney yesterday afternoon and swore out a warrant charging Joseph Masak, living on Russell near Jefferson avenues, with having obtained money fraudulently. Topinka is a Chicago brewer and last summer sent his son to this city to finish his education at the Western Union Medical College. He secured accommodations with Masak. About Nov. 30, young Topinka received a check of a dis-
counted bill valued at \$75. He mentioned his loss to Masak who said that he had lost \$18.50. The police investigated the case and concluded that Topinka had lost a pin, but that Masak's story was true.
About a week after the robbery the father of the young man received a letter from Masak stating that his son had robbed him of \$18.50 and threatening that unless the father settled the matter would be arrested. The money was paid. The relatives of the young man also received obscene letters and the affair was placed in the hands of a lawyer. A complete exoneration of the young man was obtained and his father was induced to come to this city and prosecute Masak. The latter matter is to be held before the Federal authorities, it is said. Masak again getting the money from the Topinkas, but claims that he had been robbed of the money. The rest of the charges he denies.

Travelers of the first class will appreciate this new feature as well as the improved equipment which runs as a solid Pullman vestibule train from St. Louis to New York, through Indianapolis, Dayton, Columbus, Pittsburgh, Harrisburg and Philadelphia. Address: Chesapeake, Vandalla Line, St. Louis.

The A. O. U. W. Adjourns.

After electing a complete roster of officers for the ensuing two years, the convention of the Ancient Order of United Workmen adjourned at 5 o'clock yesterday afternoon. The result of the election was as follows: Grand Master Workman, W. J. H. Richardson; Grand Recorder, Wm. C. Richardson; Grand Treasurer, Dr. J. D. Vincel; St. Louis, Grand Foreman, J. H. H. Richardson; Grand Overseer, J. H. H. Richardson; Grand Guide, Wm. A. Williams; Grand Watchman, J. D. Harsart; Springfield, Grand Officer Watchman, L. E. Hohl; St. Louis, Grand Medical Examiner, Dr. J. H. Shields; Hannibal.

The committee on Anniversary Day held a meeting at Exposition Hall on Wednesday night and determined the general features of the convocation to be held in this city May 1. Last night Paragon Lodge, No. 48, entered the Grand Lodge, which was held by several candidates initiated and the new degrees of Brotherhood Love conferred. After the initiation speeches were made by several delegates, which were followed by a literary and musical program. The convocation will meet in this city two years hence.

BERRY-BORN COAL CO.

Charges of Bribery.

JACKSON, Miss., Feb. 12.—Considerable excitement was caused yesterday in the House by the introduction of a resolution by Representative Glover to the effect that it having been rumored that money was used with some members of the Legislature to get the penitentiary bill postponed two years, the House appointed a committee to investigate the matter and see if there was any truth in the report. Several members surrounded Glover in a moment, and he was forced to withdraw the resolution, which he finally did. It is charged that undue influence was used in having the bill postponed for two years, and the object of the resolution was to see how much truth there was in the rumor. It is likely that the resolution will come up again in a day or two in another shape.

Laying the Foundation for a Home.
This can only be accomplished by a determined effort to save. The Chemical National Bank invites the small depositors to open an account. Liberal interest allowed on time deposits. Sums of \$1 and over received on deposit.

Bad Blood Exists.

There is a great deal of excitement among the Russian population of the Third District, and factional troubles are apt to ensue. Last night Sam Banks was admitted to bail on the charge of arson in the third degree. He proceeded to Eighth and Carr streets, where he gathered his friends in Grose's saloon. They were discussing the Weisman & Lerner stable fire, when William Lerner and his son entered the saloon. Some laid the blame on one, some on the other. The Lerner had hardly entered when the father and Banks were fighting. The trouble ended when Lerner was struck over the eye with a soda bottle. He was sent to the Dispensary and Banks locked up in the Third District station without bail.

Deluded Canadians.

HAMILTON, Ontario, Feb. 12.—E. O. Ryan of Columbus, O., who is connected with the Treasury Department at Washington, D. C., is in this city for the purpose of looking into the affairs of a concern which has induced Canadians to go to the United States by making misrepresentations to them. About 200 were sent over from Canada, among them an old soldier named James Whiteley, who was induced to go to the United States and had to walk back home. The Treasury Department is proceeding against the company for violating the alien contract law.

For Brain Fat.

Use Horsford's Acid Phosphate.
Dr. W. H. FIERBER, Le Sueur, Minn., says: "I find it very serviceable in all nervous debility, sexual weakness, brain fat, excessive use of tobacco, as a drink in fevers, and in some urinary troubles. It is a grand good remedy in all cases where I have used it."

BEHRING SEA SECRECY.

Conference Proceedings Kept From the Public.

WASHINGTON, D. C., Feb. 12.—There is something very mysterious going on in what is known as the settlement of the Behring Sea question. If the scene of the negotiations were a State capital there would be some very sensational charges made, and for that matter, perhaps even the dignity of some officials, positions may not save them from pretty severe reflections before this matter is over.

There seems to be a very strong desire to prevent the public expression of the findings of the Commission. There is no reason for this unless somebody is going to be benefited. There are also a great many charges made in different organs that it is the English Commissioners who may seem waiting time and refusing to meet the American Commissioners and get down to business. This is not true. It is not the Englishmen who have held back the investigation or who have asked for secrecy. Some mysterious influence has kept the American and British Commissioners apart and it was not until yesterday that they were allowed to meet officially in what was called

an "informal conference." The conference was behind closed doors. It is impossible to get the English Commissioners to talk on the subject, but it is known that they favor open sessions. The State Department will not, however, for some reason agree to this step. The Englishmen, while not complaining, have been bound to secrecy, and feel keenly the misrepresentations of their intentions and dispositions printed in Administration papers.

A Positive Luxury.

An Enormous Cargo.
NEW ORLEANS, Feb. 12.—The Interstate Transportation Co.'s towboat J. P. Jackson has just arrived from Vicksburg with the largest lot of cotton seed ever hauled at one time by one boat. The cargo consists of 10,000 sacks of cottonseed and 800 bales of cotton, making a total of 6,000 tons, which, if hauled by a railroad, would load 600 cars with the average weight of twelve tons each, or nearly twelve trains of thirty-five cars each.

Suing for a Rebate.

PIERRE, S. D., Feb. 12.—The American Express Co. has sued South Dakota in the matter of its assessment by the Board of Equalization. The company refuses to pay taxes on \$5,000, the sum fixed by the board, and

resists collection, admitting and agreeing to pay taxes on \$9,000, the actual value of its property, the board's valuation being that of the company's franchise and property, but it does an annual business of a few hundred thousand dollars. The Governor has been served with summons.
